

UNIVERSITY COUNSELING CENTER

The University Counseling Center (UCC) is committed to supporting students in attending to their emotional well-being and thriving during their college years and beyond. The UCC is the primary mental health service provider for undergraduate and graduate students enrolled at the University. Our mental health services – which utilize a short-term, solution-focused approach—include assessment, individual and group psychotherapy, and case management services. To get started, please contact (412) 648-7930.

OFFICE OF INCLUSION AND BELONGING

The Office of Inclusion and Belonging is a hub of campus activity. Located on the 6th floor in the WPU, they advise some of the most active student organizations on campus, provide leadership development opportunities and offer dynamic programming in the areas of diversity and culture, social justice, and Fraternity & Sorority life. For more information, visit studentaffairs.pitt.edu/office-of-inclusion-and-belonging

PITTSERVES

PittServes is a university-wide initiative that engages students in meaningful service to the community on a local, national and international scale. Sustainability, education and community development initiatives allow students to increase student community service and broaden our impact as a university. Visit the **Volunteer Portal** to get involved:
